Re: Promenade Secondary Plan Review

To: Members of Council

From: Mayor Tom Mrakas

Date: February 2, 2021

Whereas the Promenade Secondary Plan guides and manages growth for the Yonge and Wellington corridors, which was approved in 2010 and is now more than ten years old; and

Whereas the success for Downtown revitalization is dependent on a clear vision for the area and one that is developed in cooperation with the Town's Official Plan review; and

Whereas currently the Town has commenced a review of its Official Plan; and

Whereas an update of the Promenade Secondary Plan would implement a new forward-thinking vision for the Yonge and Wellington corridors that would protect our heritage while appropriately and effectively revitalizing the Downtown core; and

Whereas an update would help further stimulate economic development, and enhance our Downtown area as a focal point for retail, service, and special events, by building upon the Library Square redevelopment;

1. Now Therefore Be It Hereby Resolved That Council authorize staff to initiate a review of the "Promenade Secondary Plan" in combination with the Official Plan update and to utilize the approved Official Plan capital project for funding.
