## A MESSAGE FROM THE CHIEF ADMINISTRATIVE OFFICER

As the Town of Aurora CAO, my goal is to build and maintain a workforce that is talented, diverse, and committed to fostering a safe, fair, and inclusive workplace and municipal administration. We have made progress in these areas over the past two-and-a-half years, but I know we can do more. My vision is built on a recognition of our current progress and a clear grasp of what could be.

To execute on this vision, we took a comprehensive look at how to (i) ensure that our decision-making reflects and respects the diversity in the community we serve, (ii) support diversity in the programs and services we offer our citizens, and (iii) build a culture that enhances, values, and capitalizes on the diversity in our workforce. We reached one conclusion: we must and can do more.

This *Strategic Action Plan* is a key step in that process. It is organized around eight strategic goals — commitment from the top, DEI recruitment, employee retention, training and development, marketing and communications, strategic DEI focused partnerships, data collection and accountability. Our high-level goals are augmented by actionable steps that provide a clear map forward for the municipality. Internally, the plan further integrates diversity, equity, and inclusion (DEI) into our hiring, training, and career development programs. It calls on leaders at all levels of the organization to develop operational plans reflective of their current DEI performance and business realities and will hold them accountable for advancing their plans and achieving results.

To be successful, our DEI efforts must be led and managed as an organizational priority. This plan will guide our work over the next few years, help us measure our progress, and hold us accountable.

I hope many of you will recognize that this plan is unlike others we have had in the past. I hope you will also recognize its potential and the will – at all levels of the organization – to make lasting changes. I stand behind it with my commitment to you that, I will work toward an inclusive Town where all feel that they belong.

To create a culture of belonging will require all-hands-on-deck. Please join me.

Doug Nadorozny
