Re: Municipal Housing Pledges and Targets

Dear Minister Calandra,

The Town of Aurora is committed to helping address the housing crisis facing Ontario. Today, as Mayor, I am committing to accelerating the Town of Aurora's housing supply with a housing pledge of 8,000 residential units to meet current and future housing needs to 2031.

The Town of Aurora looks forward to strengthening its collaborative relationship with all orders of government to address growth challenges and create complete and vibrant communities for Ontario residents.

Sincerely,
